

WEDDING VIDEOS ON DVD by GAVIN BLOK

Our goal is to re-create your unique wedding day experience based on your personal needs, desires and taste. For this reason we have structured our wedding video packages according to the most popular requests from our clients.

Every package includes the use of Sony High Definition Digital (HDV) 3ccd Broadcast Cameras, are fully edited on AVID digital non-linear editing suites, and are designed to meet just about every couple's budgetary needs. You are thus assured that we will capture all the beautiful sights and sounds of your precious wedding day at an unbelievable price!
